

Performance Week Schedule

Tuesday 5 - Sunday 10 June 2018

Well, it is finally here – after all our hard work, it is time for us to go out and bring the stage alive with glitz, glamour and next level gangsta swag!!!

It is going to be a huge week so please remember to pace yourself and do all that you can to stay healthy and keep yourself well. Please get good sleeps, good food and maintain a positive and encouraging culture.

We will run exactly the same schedule for the Dress Rehearsal and Performances Nights (Tues 5th– Sat 9th June).

On each of these evenings we will expect students to arrive having organised and eaten an early meal. They may also bring food and drink to snack on, but once they have gone through costume and make-up there will not be any opportunity for food and drink apart from water.

We would ask that students are picked up at the end of the evening by parents from the auditorium foyer or the Green Room. In some cases senior students may have their full license or be getting a ride with another family, but I would like to know about this in advance.

Please note that there is also a pack down session on Sunday 12th before our final briefing and thank you's are done. It is expected that all participants attend and help to clean up and put everything back properly.
