

# WHAT'S ON AT HIBS

Term 3

Week 8

## FROM THE PRINCIPAL

Next week is a big week in the sports calendar for our Junior students with a Rugby tour to Hawkes Bay and a team of students heading to AIMS Games in Tauranga. I'm confident that our students will represent our school with pride and enthusiasm.

Our Senior students have an equally busy week as they head into the business end of Term 3, with their first Derived Grade Examinations on Wednesday. A timetable of the scheduled exams has been emailed to both parents and students and is also available on our website. I wish the boys all the best for these.
